MAZDA CONNECTED SERVICES

Convenience and peace of mind are at your fingertips with Mazda Connected Services[‡]. Seamlessly stay in touch with your Mazda through the MyMazda app, enabling you to effortlessly locate your vehicle, monitor its health status, send navigation directions directly to your car, and much more.

STOLEN VEHICLE ASSISTANCE

- In the event of your car being stolen, simply use the MyMazda app to request Stolen Vehicle Assistance. They'll track it in real-time and share the vehicle's location with the local police.

VEHICLE STATUS & HEALTH

- If there is a change in your vehicle status such as tyre pressure, you will be notified by an alert via push message through MyMazda app.

REMOTE LOCK

- Simply touch and hold the lock icon in the MyMazda app to easily lock your Mazda's doors from your smartphone.

FLASH LIGHTS

- Use MyMazda app remote control on your smartphone or Apple Watch® to locate your vehicle more easily by flashing its lights.

CURFEW NOTIFICATION

- Driver Alert and Parental Control update you when your vehicle is driving above a certain speed, distance, drive time or curfew.

SAFETY ASSURED

- In the event of a collision, Connected Services connects your vehicle to Emergency Services, sending an ambulance if needed. An emergency SOS button is also within easy reach of the front seat occupants.

VEHICLE LOCATOR

- The Vehicle Locator makes finding your car in a multi-storey car park easier than ever, using the map on your smartphone.

GEOFENCE

- Keep a close eye on your vehicle by setting a predefined area that when the vehicle enters & exits, you are updated via the MyMazda App.

[‡] Connected services are subject to change at any time without notice. Mazda Connected Services are provided during a 3-year complimentary period starting from the vehicle registration date, with annual subscription fees applying thereafter. Once started, Connected Services cannot be refunded, but will remain available for reactivation on the vehicle if sold or transferred.

To use Connected Services, the MyMazda App must be installed on the customer's compatible phone, with an active MyMazda account and cellular mobile network coverage (which may vary by location). Not all devices support connectivity. Refer to your Owner's Manual for important feature details and related privacy information.
